M. G. RANGAIYA,
Executive Engineer,
Water-Supply Division.

CHITALDRUG DIVISION.

Notification dated 13th February 1924.

Notice is hereby given that sealed tenders will be received at the Office of the Executive Engineer, Chitaldrug Division, up to 5th March 1924, for repairing and closing the breach of Heremallanahole Tank, Reg. No. 19 of Jagalur Taluk. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1924.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Chitaldrug between the hours of 11 A.M. and 5 P.M. on office days.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 50 (fifty) in cash or Government Promissory Notes, as earnest money and be superscribed tender for "repairing and closing the breach of Heremallanahole Tank, Reg. No. 19 of Jagalur Taluk" in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Executive Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's Office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

Tender Notice No. S. P. C. 829, dated 4th February 1924.

Sealed tenders will be received in the office of the undersigned for the supply of cement required for the use of the Public Works Department and the Krishnarajasagara works during the current year. The quantity and description of the material required are given in the attached schedule.

2. The tender should reach the undersigned before 12 noon on Monday the 25th February 1924. It should be in the form given below and should state clearly the quality and the rate at which the material will be supplied. Tenders should be accompanied by a cheque for Rs. 100 on the Mysore or Imperial Banks as earnest money without which they will not be considered.

3. The purchase of the entire quantity of cement noted against the Public Works Department is not guaranteed but the successful tenderer should be prepared to supply such quantities of the material as may be required from time to time up to the limit of the total quantity on indents to be made by the Executive Engineer, Water Supply Division, Bangalore. In the case of the cement required for the Krishnarajasagara works, the supply of the whole quantity should be completed before the 15*th of March* 1924.
